

# Conversation Stoppers

**Topper:** Whatever bad happened to someone, something happened to me that was worse.

---

**Interrupter:** What I have to say is most important, so I butt in and blurt it out.

---

**Advisor:** I know best what people should or shouldn't do, and I say so!

---

**Monopolizer:** I want my turn then talk non-stop, usually is all about me and nobody can get a word in.

---

**Subject Changer:** I don't care what others discuss, I abruptly bring up what I want to talk about.

---

**Gossiper:** I talk about people behind their backs.

---

**Know-It-All:** I'm an expert on any topic. Just ask me!

---

**Challenger:** Whatever others believe, I disagree.

---

**Snooper:** I ask personal questions that are none of my business.

---

**Instigator:** I bring up controversial topics like religion and politics, insult people, start conflict, or make people uncomfortable.
